Dear Sharan, Dear Irakli,

Enclosed please find an ETUC Resolution on Ukraine which was adopted today during our Executive Committee meeting.

In addition to the Resolution, the ETUC Executive Committee asks the ITUC and the PERC to carry out an evaluation of the FNPR's position and affiliation status in both structures.

Furthermore, the ETUC Executive Committee asks that the Extraordinary PERC Executive Committee meeting which is scheduled to take place on 5 April is brought forward to take place before the ITUC Extraordinary General Council on 28th March.

I trust that you will do your utmost to ensure that this is done.

With kind regards

Luca Visentini
ETUC General Secretary
