

Joint Declaration of the Visegrad Group Trade Unions of Support of Trade Unions in Ukraine

Trade union confederations of the Visegrad Group countries (Poland, Hungary, Slovakia and the Czech Republic) express their unequivocal solidarity with their colleagues in Ukraine in their fight for better life, better wages and better working conditions.

We are prepared to demonstrate this solidarity together with the European Trade Union Confederation in Ukraine directly.

We are well aware of the fact that Europe does not end at the European Union borders. Our colleagues in Ukraine need and deserve coordinated international assistance!
